California Limited Lines Automobile Agent Examination

OVERVIEW

Section 1677 of the California Insurance Code requires that the limited lines automobile agent examination be of sufficient scope to satisfy the Insurance Commissioner that an applicant has sufficient knowledge of insurance and insurance laws.

Effective January 1, 2008, California Insurance Code Sections regarding an insurance agent license were amended to include provisions for a "Limited Lines Automobile" agent license. Specifically, 1625.55 (a) states that a "Limited Lines Automobile Insurance Agent" is a person authorized to transact automobile insurance, as defined in Section 660.

~~For purposes of the prelicensing curriculum and examination, the successful applicant is defined as an entry-level employee of an agency or a company. Passing the examination is the completion of an important first step of a lifetime of insurance education and experience for this person.~~

The new limited lines automobile insurance agent will be trained to sell/service the lines more commonly available, less complex lines first, the other lines later. Sufficient knowledge is what this typical new limited lines automobile agent needs to know at the start of one's career.

- (1) The most specific knowledge is required in the following areas:
 - * General insurance concepts and principles
 - * Insurance code and ethics
 - * Responsibilities and authority of a Limited Lines Automobile Insurance Agent insurance agent
 - ~~* General insurance concepts and principles~~
 - * Personal automobile liability, physical damage, and collision coverage
 - * Motorcycle coverage
 - * Property and liability basics
 - * Low-cost automobile insurance
 - * Umbrella and excess liability insurance
 - * ~~(2) Required knowledge of the remaining lines/coverages~~ A general understanding of why these all other lines/coverages may be required of insurance and of how and where they apply
- ~~* a very general understanding of what they do~~

In addition, this license authorizes the transaction of automobile insurance for the private, non-commercial use of the insured motor vehicle with a load capacity of 1,500 pounds or less. The insurance products that this license can transact are as follows:

Educational Objectives

California Limited Lines Automobile Agent Examination

- Automobile Liability Coverage which is limited to coverage of bodily injury and property damage liability, medical payments, and uninsured motorists' coverage.
- Automobile Physical Damage/Other than Collision or Comprehensive Coverage includes all coverage of loss or damage to an automobile insured under the policy except loss or damage resulting from collision or upset.
- Automobile Collision Coverage includes all coverage of loss or damage to an automobile insured under the policy resulting from collision or upset.

Sections 1625.55 through 1625.57 state that the Limited Lines Automobile Insurance Agent license is an "agent" license. In addition, Section 1625.55 (c) further defines that the Limited Lines Automobile Insurance Agent must be endorsed or appointed in order to act as an agent of a business entity or an insurer. As a result, the language in the California Insurance Code precludes the Limited Lines Automobile Insurance Agent from being authorized to "broker" limited lines automobile insurance business.

EDUCATION OBJECTIVES

~~The educational objectives are statements of what an applicant must do, under what conditions, and how well, to demonstrate sufficient knowledge to pass the licensing examination.~~

The educational objectives are derived from the curriculum outline contained in Title 10, Chapter 5, Subchapter 1, Article 6.5, Section 2187 of the California Code of Regulations. The purpose of these objectives is to:

~~*Express clearly what an applicant must be able to do to show an acceptable level of mastery of each educational objective.*~~
